Customer Reviews

The product description and price is incorrect!Fast Forward Academy offers three kinds of bundle on their official website: 1) book only + 800 demo questions for \$199; 2) online only with 3000+ questions for \$449; 3) book + online questions for \$529.In this product description and the book cover, it clearly says 'Book compliments the online question bank and simulated practice exams.' and 'thousands of test question online'! However, there is no code and instruction to the access of the 'thousands of questions online'.All you get is a text book, which only worth \$199. The price tag is \$300, so don't buy!

the book is not good as you think. Just simple. Online practice exam questions is separated price which you have to pay. They don't say clearly everthing that you thought. Everthing is fishy to get people buy their things. I am rating 0 0 0

Very good guia and easy to understand
