Gardner's Art Through The Ages: A Concise History Of Western Art (with CourseMate, 1 Term (6 Months) Printed Access Card)

Synopsis

GARDNER'S ART THROUGH THE AGES: A CONCISE WESTERN HISTORY provides you with a comprehensive, beautifully illustrated tour of the great artistic traditions of Western civilization! Easy to read and understand, the latest edition of this best-selling art history book provides a rich cultural backdrop for each of the covered periods and geographical locations, and incorporates new artists and art forms--all reproduced according to the highest standards of clarity and color fidelity. The unique scale feature will help you better visualize the actual size of the artworks shown in the book. Within each chapter, the "Framing the Era" overviews, a new timeline, and the chapter-ending section entitled "The Big Picture", make it easier to understand the cultural and historical forces that influenced each artwork. A complete online environment, including all images and an eBook, is also available. Go to the Museum index before your next visit to a museum to locate the works in the book.

Customer Reviews

"I love the addition of the scales -- very helpful. I like the way that Gardner walks students through a visual analysis after first elaborating on the historical context. I think this is the textbook's greatest strength." "One of the most outstanding differences [between Gardner's and other art history texts] is the accessibility of the text. The text . . . is very streamlined. It simplifies the material . . . and the organization is more logical."

Fred S. Kleiner (Ph.D., Columbia University) is the author or co-author of the 10th, 11th, 12th, 13th, 14th, and 15th editions of GARDNER'S ART THROUGH THE AGES: A GLOBAL HISTORY, as well as the 1st, 2nd, and 3rd editions of GARDNER'S ART THROUGH THE AGES: A CONCISE HISTORY, and more than 100 publications on Greek and Roman art and architecture, including A HISTORY OF ROMAN ART, also published by Cengage. He has taught the art history survey course for more than three decades, first at the University of Virginia and, since 1978, at Boston University, where he is currently professor of art history and archaeology. From 1985 to 1998, he was editor-in-chief of the American Journal of Archaeology. Long acclaimed for his inspiring lectures and dedication to students, Professor Kleiner won Boston University's Metcalf Award for Excellence in Teaching, as well as the College Prize for Undergraduate Advising in the Humanities in 2002, and he is a two-time winner of the Distinguished Teaching Prize in the College of Arts and Sciences Honors Program. In 2007, he was elected fellow of the Society of Antiquaries of London, and, in 2009, in recognition of lifetime achievement in publication and teaching, fellow of the Text and Academic Authors Association.

Great book! I used this book as part of my ART class and it is a pleasant book to read. It details the history from the Mesopotamia era all the way to the current era. Each page is has full colorful pictures of the arts been discussed and it provides references for videos that you can watch online for each artwork. Recommend and please do not let ART die! Support any kind of art classes in public, private, and colleges in US! :)

Awesome book

What I wanted

book is useful and in great condition

Very good book!

Good book!

came on time

Good to rent. Still in good condition and gets the job done. Some highlighting but it is helpful for studying.
