101 Things To Love About Laguna Beach

Synopsis

In *101 Things to Love About Laguna Beach*, British transplants Sally Eastwood and Helen Polins-Jones have collaborated to create an illustrated love letter to their adopted hometown. Eastwood's prose and Polins-Jones's watercolor landscapes and motifs capture the beauty of Laguna Beach's coastline, canyons and wildlife, as well as its cultural heritage and community spirit. This whimsical guidebook is, in the words of the authors, both for Laguna locals and all the visitors who come for a day, a week, or longer, who have also fallen in love with this unique town.

British native Sally Eastwood arrived in Laguna Beach in 2000, after eight years of living on the east coast in Maryland and Florida, and immediately knew she was home. During her time in the corporate world, Sally has written scripts, speeches, presentations and more, and now writes from home with a view of the ocean. Her favorite of the 101 things listed in this book is Laguna's goats, the four-legged fire fighters who spend all day eating on the job. British-born watercolor artist Helen Polins-Jones lives and works in Laguna Beach. Using pencil and watercolor, she creates illustrations, motifs and patterns that can be found on a variety of handmade products in local gift stores. Helen's favorite item in the book is the sea birds, which she loves to watch in action while walking along the beach.

We loved the copy we received for Christmas, it's on our coffee table and it's now my go-to hostess gift. I ordered a couple to have on-hand for last-minute gift items, which provides something more tangible than typical flowers or a bottle of wine. The size of the soft-bound cover is lovely to the

touch, more durable but larger in size than paperback but not as heavy or big as a hardback . The lovely tips & stories that are beautifully illustrated has been well-received by recipients. Thanks for creating a wonderful book!

We just got this book and it reminds us of a love letter to all the wonderful parts Laguna Beach has to offer a local and a tourist. Thank you for capturing it forever on paper. Beautiful illustrations...

ok, maybe not 101 things, but there were plenty of things I loved about this book. I don't live in Laguna Beach, but I've spent some time there, and this book is a passport back to a place that brings me such joy. I loved the watercolors because they actually captured the spirit and style of this magical beach town. The writing and photos were also delightful. After spending some time with the 101 Things to Love about Laguna Beach, I found myself wanting to head straight back to Laguna Beach and re-experience the place that Sally Eastwood and Helen Polins-Jones present in this enchanting book.

I love this book about Laguna Beach. The paintings are wonderful and framable. The writing is entertaining and informative. I am buying a bunch to give to my friends and family who are coming to Laguna Beach this spring. This book is a perfect gift!

Punchy prose and whimsical watercolors make this book a must for residents and visitors alike. I learned so much about my town that I didn't know despite having lived here for decades. This beautiful book has pride of place on my coffee table and I expect to give copies to guests, friends, and other Laguna lovers for years to come.

101 Things to Love About Laguna Beach is an exquisite keepsake that chronicles the remarkable history, people, and places that make this small seaside village so unique. Through stories, photographs, and watercolors, this timeless journal is a must read for anyone who lives or has visited Laguna Beach and experienced this remarkable town's magic.

Wonderful book, beautiful pictures and fascinating facts about one of the most beautiful small towns on the California coast. This book is a collectible gem for those visiting or living in Laguna Beach!
