Customer Reviews

Was a good read. However, it closed out too quickly without a full understanding of what fully happened to all the characters.

The story moves so fast and was a great finale to Nefret's life. I would like to believe this was the

way of Nefertiti's life and the story of her end.

Interesting series

Totally loved this whole series.

I was enthralled with this series & how it transported me to Egypt. Another page turner, couldn't put it down. I just had to find out how Nefertiti's journey ended. LOVE this author!

My only wish would have been a 5th book between the third and 4th, but this one was a very satisfying to the set.

I loved reading these books. I couldn't seem to be able to stop reading.

Great series! Each book keeps you thoroughly invested in the next. Twists and turns keep you on your toes and leave you wanting more!
