Customer Reviews

I love these travel guides! It is not so detailed that it becomes boring, but enough to feel like I know the place and it excites me even more to travel. These places, I can only imagine, are even better than any book can describe. That's why I like leaving a lot of it to imagination!

I'm always looking for new and exciting places I may like to travel to one day, so I was very excited to read this travel book! I now want to visit Myanmar because of this travel guide. I loved the facts that were presented about the different places and the beautiful images!
