Travel: The Three Day Runaway: Refined And Luxurious Weekend Travel On \$100 Dollars A Day (Budget Travel Book 3)

Synopsis

Travel: The Three Day Runaway: Refined and Luxurious Weekend Travel on \$100 Dollars a Day Do you want to explore the world, but feel like you lack the resources or the experience? Do you want to make the most of a weekend in a new city? Do you want to get the biggest bang for your buck and learn how to plan your adventures? Do you want to skip student hostels and homemade bologna sandwiches? Do you want luxury on a budget? This book is perfect for you. You will learn how to prepare yourself emotionally and logistically for a rewarding weekend in a new place. This book is really about packing in as much as possible and getting in everything you want without emptying your checking account. From how to choose your location to how to choose your dinner, this book is here to help you make great choices that will give you a great trip for the lowest possible price and the biggest possible impact. "The Three Day Runaway" will help you plan a fun packed three days with a remarkably low price tag, and without compromising on basic luxuries. In this book, you'll discover: How to work up the courage to go. How to choose a location. How to research and save your way to your destination. How to manage the line between prepare and over-planned. How to keep up your energy. How to pack for any season. How to stay well hydrated and well fed on the cheap. How to book chic lodging. How to save money on nights on the town. How to live like a local and get more for less. How to know when to say no, and when to splurge. How to save money at every step! Don't forget to claim your free gift: How to Find the Perfect Travel Partner.

Customer Reviews

This book is full of great advice for how to maximize your travel experience and keep it within a budget of only \$100 per day. You'll learn how to plan the ideal trip, cut corners on expenses, and have a great time without overdoing it on the extras. Highly recommended.

Good tips that can be used for any vacation. Some just common sense, but doesn't hurt to be reiterated. Was hoping for a few more good ideas, but will implement advice given.

Some good ideas here! This is going to help me quite a bit when I do some traveling this fall. Thanks!

It made me want to get up and go somewhere. Anywhere but here.

I really enjoyed Katarina's book! This is not just a guide on how to spend less while travelling. It's an amazing guide on how to learn more, change your attitudes and become a better person while travelling. I love the way she writes: she's so witty that I couldn't keep back my smile while reading. So, the main content of the book is: researching, planning, and saving to enjoy your trip to the utmost. There are plenty of ideas on how to get the vacation of your dreams choosing the best flight option, place to stay in, food to indulge yourself with, and attractions to see without falling in tourist traps. So if you are interested in smart, budget, yet enjoyable travelling, this book is definitely for you.

There is a lot of common sense advice about travel and how to be economical but that's the problem. Nothing offered that the average person shouldn't already know.

Not very impressive. Just advice. The kind of advice that a parent would give their child. I didn't find the book particularly helpful. 3 stars,

It really didn't tell me anything new or provide hints or resources beyond every day common sense.
