Cavern Of Pleasures Books 2 And 3 Boxset: Erotic Historical Romances

Synopsis

A limited edition boxset of two romantic and sexually charged stories from the Cavern of Pleasures Series: Conquering the Countess (Book 2) and Binding the Baroness (Book 3). Advisory: These erotic historical romances contain light BDSM elements and submissive training. If you like your heat – “wickedly hot” – with bad boy rakes and fearless women, then dare to enter the Cavern of Pleasures –

ABOUT CONQUERING THE COUNTESS (BOOK 2) Can a notorious rake seduce the ice mistress? Married to the unfaithful Earl of Lowry and scorned by her in-laws for not producing an heir for the earldom, Gertrude "Gertie" Farrington takes out her frustrations in the masked underground world of Madame Botreaux's Cavern of Pleasures. Concealing her identity there as 'Lady Athena,' Gertie is a domineering mistress with a peculiar propensity: she never allows a submissive to bring her to climax. Back from years of exile after a scandalous duel, Lord Phineas Barclay, a notorious rake and seducer of women, becomes instantly intrigued by the Lady Athena on a visit to the Cavern of Pleasures. He poses as a submissive with the intention of seducing the icy mistress and uncovering her true identity. As the Countess of Lowry, Gertie wants nothing to do with Phineas Barclay - a debaucher at best, and a murderer at worst. So why does she find herself hot and flustered in his presence? Phineas Barclay finds himself strangely drawn to the Countess, but every step forward with her seems to be followed by a step backward with the Lady Athena. Which woman will he choose to focus his seduction upon - or is it possible to conquer both Lady Athena and the Countess?

ABOUT BINDING THE BARONESS (BOOK 3) "Ten thousand pounds if you can seduce the Baroness Debarlow." To save his estate, Montague Edwards, a known rake, agrees to the Earl of Frotham's proposition. The Earl intends his son, the Viscount Tremayne, to marry well, but the Viscount has fallen instead for the scandalous Lady Debarlow. To Abigail Debarlow, marrying the young Viscount is a means to avenging her mother's death. Her plans to elope with the Viscount, however, are upended by the handsome Montague Edwards. An accomplished seductress herself, she nonetheless finds herself at risk of succumbing to his advances. When Montague discovers that Lady Debarlow is a patron of Madame Botreaux's Cavern of Pleasures, he kidnaps the Baroness and takes her to his estate with the intention of fulfilling her every fantasy. But he soon finds he wants to do more than bind her body... Failure to seduce the Baroness means he loses the family estate. But successfully seducing her may mean losing her altogether.
