Customer Reviews

Brief overview of 20 interesting places to visit with widespread geographical locations in Greece.
Good for a beginner traveler to Greece to sort out where to go.

This guide is a little too broad compared to the other publications in this series but as someone who has never traveled to Greece I still found it quite useful and enjoyable. It inspired me to venture off into places I don't think I would have gone to otherwise and I felt like I had some insight knowledge to really appreciate the setting and the culture. I give it five stars because If you have'nt yet traveled to Greece this is a good starting point guide and you will find it useful , although for a seasoned traveler it is a tad too general.
