Tired of reading the same old quizzes in magazines. Well with this book there are probably a bunch of quizzes you haven't even seen before. This book is a great way to learn more about yourself. Now

you may think you ready know everything about yourself, but you probably would find out more things about yourself taking these quizzes. You can even quiz your family and friends. There are six different parts in this book organized by subject. Here are the six different parts:Part1:Friends and FamilyPart2:BoysPart3:Cosmic CluesPart4:Fashion and BeautyPart5:Your PersonalityPart6:ConclusionThose are the six different parts. But take the quizzes. I'm sure you'll find out some things about yourself you didn't even know.

i couldn't believe how accurate the book was. i actually discovered things i never knew about myself. i think everyone should have this book. it won't change your life completely, but, it can help you make a move in the right direction.

The number one way to get to know yourself better is by asking yourself questions. This book has so many questions. I found out more about myself in this book than any other quize books that I have read. This book is really not all that bad. Find out more about yourself and reveal secrets of yourself that you might not have even known or thought of. You can even ask other people questions with this book. This book is the bomb!
