Tired of the same old tourist traps? Take the road less traveled and discover the hidden attractions, unique finds, and unusual locales other guidebooks just don't offer. Off the Beaten Path® features the things you'd want to see if only you knew about them! From the best in local dining to quirky cultural tidbits, you'll say over and over again: "I didn't know that!" Whether you're a visitor or a local looking for something different, let Georgia Off the Beaten Path show you the Peach State you never knew existed. Revisit the era of Southern gentility at Marietta's Gone With the Wind Museum, sample secret sauces at the Big Pig Jig barbecue contest in Vienna, or spend the weekend camping and fishing at Mistletoe State Park north of Augusta. So if you've "been there, done that" one too many times, get off the main road and venture Off the Beaten Path.

William Schemmel is a full-time freelance writer and photographer who travels from Paris, Texas, to Paris, France, but most enjoys telling others about his native state of Georgia. His work regularly appears in numerous magazines, newspapers, and guidebooks. He has experienced adventures on

Georgia's off-the-beaten paths for more than twenty-five years.

I like these books. The series we use for all our vacation trips. There are always places that are great to see and eat. Highly recommend for the wandering traveller.

Bought this to find more places to explore in Ga. It has tons of things and tells you when's a good time of year to see them and all. Prices aren't up to what they are now, but it gives you the phone #'s to call for info on everything. I highly recommend it.

We give these travel books to our retiring clients to enjoy as they search the highways and byways of our state for hidden treasures! They are always welcome gifts as our clients begin the next stage of their lives!
