# A Really Rather Splendid Book Of Fun Facts About The British

## Synopsis

Strawberries and cream, bad weather, the Royal family—there are some things that are just quintessentially British. And, quite frankly, they’re all really rather splendid (well, maybe not the bad weather). So pour yourself a nice cup of tea, sit back and celebrate all things United Kingdom with this handy guide. You’ll learn all about their peculiar pastimes, bizarre inventions, historical highlights and national obsessions, along with the many great Britons and great British landmarks, their unique cuisine, culture and a whole host of other topics that put the Great in Great Britain.
