Answer Atlas (Rand McNally)

Thank you, Faithfulness Books. Service was prompt, and item was exactly as described.

Good resource to be used with Trail Guide to World History.

I purchased this atlas to teach world geography to jr. high students and it is fantastic. Each student also has one and they have a terrific time using it and discovering new facts. It is also extremely easy to use. I wish I purchased this years ago.

This was for a geography class. Thanks.

This book is very interesting and educational. I bought it for my 3rd grade child. She went through it right away when she got it two years ago. She still likes to read it when she is now 5th grade.

very good

Very useful, easy to use.

Fun book
