A Tale Of Two Elmos (Elmo Jenkins - Book Four)

Synopsis

With over 175 "Five star" reviews. Elmo Jenkins is celebrating his fifth anniversary as a staff member of First Church. Much has changed at the historic downtown church, with new Senior Pastor Billy Pike Jameson and his humorless wingman Lord Hatchet keeping Elmo more than busy. In the midst of helping the church navigate the precarious waters of starting a contemporary worship service, Elmo is asked to lead a mission trip to Papua New Guinea. As always, Elmo keeps his sense of humor and his faith in God's higher purpose. On the home front, Elmo's feisty mother-in-law is relentlessly pressuring him to produce a grandchild. Elmo's friend Erlene has moved into an Assisted Living Facility where she's stirring up some serious trouble. To make matters worse, someone is systematically burglarizing the homes of the First Church membership. Could there be an inside connection? Thurm, Harry, and Father Ted are still on board along with new friends Pearly Gates, The Radio Guy, and Stumpy the Squirrel. The readers say it best: "Not since Mitford has the day-to-day life of a minister been so much fun." - OBT Bookz

Customer Reviews

A Tale of Two Elmos written by McMillian Moody is another hit. I have really enjoyed all the books in this series. They continue to be laugh out loud funny. I love his characters. They are just so believable. I didn't want to put the book down. I feel like I know the characters. They are my friends. I love the fact that M. Moody's books have a mystery in them. The way they go about solving them are hilarious. I love the way God uses everyday people to get His message across. It was an inspiring book. I plan to recommend this book to all my friends. It is nice to have good clean books to read. Can't wait for another book to see how Elmo is doing.

As always a delightful read. We are always thinking about the moral decay of some of our media presentations on life, sex, killing, rape etc. but reading Moody's book gives you hope that all is not lost in our world. The characters are great, the storyline terrific, and the endings masterful. I would hope that more people bought and read this book to find the delightful way reading use to be. Thank you McMillian Moody.

This is a great Christian series if you are looking for a clean read. This is book four in a four book series and they were all endearing, enchanting, and delightful in the deliverance of story line and characters. This is sure to be a hit with you if you want a wholesome read.

As were the previous Elmo books, this one is great. McMillian Moody writes a very believable book showing us the human and spiritual side of men and women presenting Christ to the world. It not only provided me with some tummy massages (a good laugh), but also some words of wisdom and/or encouragement. A well written read.

Refreshing is the first thought after reading this series about Elmo and all his adventures involving First Church. I did giggle a lot and even laughed out loud more than once. Who knew such things went on in every day life of the church ministers and staff. All four books are highly recommended!

This isn't just any story. It's a story about God loving us, forgiving us when we truly repent & ask Him to; about navigating relationships broken by sin & trying to repair them & by doing the same things we did with Him: showing true repentance, confessing our wrongdoing, & asking forgiveness. It's about people being framed & threatened, then exonerated as the truth comes out & the true perpetrators are found. It's about how people who are dirt poor & have little food or material possessions are able to be joyful because they have heard about Jesus, & have accepted His gift of

forgiveness by confessing their wrongdoing & truly repenting...so indirectly, it's about asking what's cluttering our lives & getting in the way of being all God wants us to be. It shows how God leads us, through the everyday moments of life, to a place where we can draw closer to Him, but never does He force us. Obedience is an act of will, but ultimately, if God forced our obedience, we'd be nothing but automatons. It spans the spectrum of church life, from young to old, poor to rich, & emphasizes the one thing we all have in common: God's grace, the grace that takes us from fear to courage, hate to love, old life to New Life, & urges us to tell others about Him, to be joyful about Him regardless of circumstances. Serious yet light-hearted, you'll enjoy this continuing saga of Elmo.

After having read 2 other books in this series of laugh out loud events in the life of Elmo Jenkins, I heartily encourage all to read these books. Highly entertaining they are at once thought provoking and inspirational. Elmo is everywhere and we all know an "ELMO". Enjoy watching him mature and come into his own. Recommended for all adult readers and some young adult readers. McMillan Moody, please continue this series for me! I have passed along my copies to others who I believe need to believe in themselves.

I enjoyed all the Elmo books. In this one, a son is born, which made it a bit of a special read. Elmo's friends are all here and the funny quirks that can be found in any church are all here for us to share a chuckle and some truth. I recommend anyone read the whole series.
