Humbled By His Presence: Meeting YHWH At The Threshing Floor

Synopsis

As we prepare for the return of Messiah, Our Abba Yah is gathering each of us to His threshing floor, where He is separating the grain from the chaff. The pressure of the threshing floor is used to release the edible part of the grain from its hard outer shell. By reading and studying scripture you will be challenged to become sensitive to the Master's refinement process. In this 21 day devotional you will have the opportunity to get a concrete understanding of what the Father is looking for in the life of his children, and the type of relationships we are to cultivate with those around us in order to be a light in our homes and to the Nations. Through the definition of words and the sharing of stories, you will be able to procure a humble heart that will produce fruit ripe for the harvest.

What an amazing book for women, especially Hebrew/Black women, to read! The author does a great job of teaching and explaining Biblical Truths (the REAL Truth that is) and how we apply them to our lives! This is a must-read! 21 days is just short to keep an interest and long enough to create a change. I have already begun changing some things to be a reflection of Yah and it has served me well.

This book has changed my life. Bringing wisdom and understanding when it was needed the most. After reading I have received correction and conviction on flaws I have possessed for years continuing to grow in the word of Yahuah. Praise Yah for putting this on Huldah's heart to write.

This book is absolutely amazing!! If you are seeking a closer relationship with The Most High this will get you started! If you are seeking direction this book with force you to seek Yah's face and fine tune your ear to hear him. This book was such a blessing that I've decided to go through it again. This is a must have!

Excellent book, *highly* recommended! Huldah sheds light on the Hebraic meaning of scripture...very important in fully understanding scripture as it was written, also *very rare* find in Western society. I am so glad I purchased, will definitely reference and recommend it in the future.

This devotional will inform, encourage and inspire. You will want to mark pages and return to the book After the 21 days :). Hope there is a Volume 2

I absolutely love this devotional must share it with my sisterhood...

This is a wonderful devotional that helps us understand the Hebraic rights of our faith in the Most High, while gaining a deeper relationship with Him!

Was not a good read for me. Maybe for someone else. To me it was written from the writers perspective, and experience. Not what I expected.
