Rogue, Prisoner, Princess (Of Crowns And Glory—Book 2)

Synopsis

“Morgan Rice has come up with what promises to be another brilliant series, immersing us in a fantasy of valor, honor, courage, magic and faith in your destiny. Morgan has managed again to produce a strong set of characters that make us cheer for them on every page. Recommended for the permanent library of all readers that love a well-written fantasy.” --Books and Movie Reviews, Roberto Mattos (regarding Rise of the Dragons) ROGUE, PRISONER, PRINCESS is book #2 in Morgan Rice’s bestselling epic fantasy series OF CROWNS AND GLORY, which begins with SLAVE, WARRIOR, QUEEN (Book #1). 17 year old Ceres, a beautiful, poor girl from the Empire city of Delos, finds herself forced, by royal decree, to fight in the Stade, the brutal arena where warriors from all corners of the world come to kill each other. Pitted against ferocious opponents, her chances of survival are slim. Her only chance lies in drawing on her innermost powers, and making the transition, once and for all, from slave to warrior. 18 year old Prince Thanos wakes on the isle of Haylon to discover he has been stabbed in the back by his own people, left for dead on the blood-soaked beach. Captured by the rebels, he must crawl his way back to life, find who tried to assassinate him, and seek his revenge. Ceres and Thanos, a world apart, have not lost their love for each other; yet the Empire court teems with lies, betrayal and duplicity, and as jealous royals weave intricate lies, they each, in a tragic misunderstanding, are led to believe the other is dead. The choices they make will determine each other’s fate. Will Ceres survive the Stade and become the warrior she was meant to be? Will Thanos heal and discover the secret being withheld from him? Will the two of them, forced apart, find each other again? ROGUE, PRISONER, PRINCESS tells an epic tale of tragic love, vengeance, betrayal, ambition, and destiny. Filled with unforgettable characters and heart-pounding action, it transports us into a world we will never forget, and makes us fall in love with fantasy all over again. “An action packed fantasy sure to please fans of Morgan Rice’s previous novels, along with fans of works such as The Inheritance Cycle by Christopher Paolini. Fans of Young Adult Fiction will devour this latest work by Rice and beg for more.” --The Wanderer, A Literary Journal (regarding Rise of the Dragons) Book #3 in OF CROWNS AND GLORY will be released soon!

Customer Reviews

Wish I had read book 1 first now I will need to go back to it. Maybe I will go on to book 3 I have lots of questions that need answers. A story of revolution and intrigue. With some discussion before hand about the violence would let my children read it.

It's a clean version of Game of Thrones meets Star Wars set to an ancient Roman themed background with a dash of magic and mythical creatures. There is romance, adventure, and heartache woven within each chapter. The characters are easy to find yourself in.

Morgan Rice has written a fine second book for the trilogy. The characters continue to inspire actions that seem normal, while some things are Supra normal. An enjoyable read. Looking forward to the third book.

Book 2 of the "Of Crowns and Glory" series by Morgan Rice. I like this series - my major complaint is the books are too short, the end comes too quickly. I want to enjoy each one for days and days.

I had my doubts when I started this book, but before long I was caught up in the overlapping stories.

Now I'll HAVE to read the next book in the series, as this ended rather abruptly!

I don't know what there is to say that hasn't already turned on readers of this genre to the excellence that is Morgan Rice. If you haven't read one of his works do yourself a favor...

Enjoyed the book tremendously. The only problem is it's too short! Seemed like a third of what it should be. As if the author is trying to make up for the lower cost of an ebook.

You know the heroine and hero will prevail but not without trials. Morgan Rice knows how to keep you reading the next book in the series.
