Synopsis

The worldâ ™s bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, 1,000 Places reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it â œtells you whatâ ™s beautiful, whatâ ™s fun, and whatâ ™s just unforgettableâ ” everywhere on earth.â • And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast.Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that donâ ™t compromise on atmosphere or charm.The world is calling. Time to answer.

Best Sellers Rank: #13,048 in Books (See Top 100 in Books) #21 inÂ Books > Travel > Specialty Travel > Tourist Destinations & Museums #23 inÂ Books > Travel > Reference > General

Customer Reviews

â œAt last, a book that tells you what's beautiful, what's fun and what's just unforgettableâ ”everywhere on earth.â • â ”Newsweek Â â œThe perennial guide to iconic travel destination....We read the entire book, stopping to gasp, comment and bookmark several pages along the way.â • â ”The Huffington Post â œ[1,000 Places to See Before You Die] has joined the canon of classic reference tomes that earn periodic updates and cozy homes on the bookshelf next to the thesaurus. It is sure to land under many trees this year.â • â ”TIME.com â œGlobe-trotters and vicarious adventure-seekers alike will find this full revamp of a world travelerâ ™s bible even

more informative and inspiring than before.â • â ”Entertainment Weekly Â â œSchultz has given her iconic guide a complete makeover. With 500 new photographs, 200 new entries and 28 new countries, the second edition is more informative, budget-conscious and user-friendly.â • Â â ”BookPage Â â œItâ ™s a big world out there, which makes it hard to decide on a vacation destination. The Internet can seem just as vast when it comes time to research. Thatâ ™s why Patricia Schultzâ ™s 1,000 Places to See Before You Die deserves a place on your bookshelf. A great inspiration tool that includes both the obviousâ |and the less so.â • â ”The Washington Post Â â œShe [Schultz] has managed to work a little literary magic hereâ ”and still keep her original 1,000 favorite placesâ ”by reorganizing and rewriting the content of the first edition. As always, her entries are irresistibly idiosyncratic, from â ˆBeer in Belgiumâ ™ to â ˆThe Last Supperâ ™ and Other Works of Leonardo Da Vinci.â ™â • â ”Chicago Tribune Â â œThe names of authors who have sold millions of travel guidebooks are widely known: Fodor. Frommer. Steves. Oh, and don't forget Schultz. You know, Patricia Schultz. Still not familiar? Her signature title surely is: â ˆ1,000 Places to See Before You Die.â ™ [She is] the travel expert who launched legions of bucket lists back in 2003 (before we even knew what a bucket list was).â • â ”San Jose Mercury News Â â œWhether theyâ ™re outdoor adventures or simply armchair travelers, readers on your holiday list will enjoy 1,000 Places to See Before You Die. Informative, clear and accessible.â • â ”Ventura County Star Â â œPatricia Schultzâ ™s classic bucket list book of travel musts have been updated, and the second edition has full color, revised information and about 200 new entries. Itâ ™s fun to peruse when putting together your travel wish list.â • â ”Chicago Sun Times â œ1,000 Places to See Before You Die...should set anybodyâ ™s imagination soaring. It is a book to browse under the Snuggie on a long winter night and daydream with.â • â ”Delaware Star News â œFor travelers who think theyâ ™ve seen it all, surely thereâ ™s a place you havenâ ™t visited in this newly revised classic bestseller.â •Â â ”Pittsburgh Post Gazette

Join the Adventure Â The worldâ ™s wonders, continent by continent: A trek through Moroccoâ ™s Atlas Mountains. Sri Lankaâ ™s Hill Country. A sunrise balloon safari over the Masai Mara. Canyon de Chelly. The sacred festivals of Bhutan. The Amalfi Coast. Sailing the Mekong River. Â In all, 1,000 places guaranteed to give travelers the shivers: sacred ruins, coral reefs, hilltop villages, deserted beaches, wine trails, hidden islands, opera houses, wildlife preserves, castles, museums, and more. Each entry tells why itâ ™s essential to visit and includes hotels, restaurants, and festivals to check out. Then come the completely updated nuts and bolts: websites, phone numbers, prices, best times to visit. Â The world is calling. Time to answer.

Nothing special. From the sites to see in the area of the country where I live, Florida and the southeastern US, this book simply hits the well known areas and doesn't venture off the well-trodden path of most tourists. I was looking for something that didn't tell me what I already knew or could find in most any travel book. Consequently, I expect the same treatment of places I'm not as familiar with. I was hoping for something more unique.

This was for a student who mentioned to me that she wanted to travel when she graduated high school. What better book and what better way to "sample" the world than 1,000 Places? I've had this book for years, I put little post-its on the pages of places I go, checking them off. I wonder if I'll hit them all??? Okay, probably not. Still it's a great goal, and I hope I passed onto her the love of travel.

This book is a treasure. My only complaint would be that it crams too much information into a small space. For this reason it has very tiny print. I do enjoy getting an overview of all the places the world has to offer. I read the part on Japan after returning from a 2 week trip. It touched on many of the places I visited. If anything, it assured me that I had seen almost all the Japanese "highlights" and more. I'm about to plan my next getaway and this book will be a great resource for all my adventures.

I love this book! Even if you could go to only a few of the locations included in this marvelous vacation guide, you can certainly daydream about traveling to the several hundred remaining locations! This comprehensive book provides affordable locations for the average traveller as well as pictures highlighting the places of interest. This is a great book to use as a resourse when deciding where to spend a safe, relaxing and affordable vacation. The hotel suggestions and many travel tips are helpful. I am presently compiling a "bucket list" of destinations outlined in this book. My goal - to go to at least one hundred of the 1000 locations listed! This guide certainly is worth every penney. Included in the purchase is a free App for your ipad.

This is a HUGE book! I bought this as a retirement gift and the retiree was looking at it and reading it while the party was going on. I'd say this book was a huge success for a traveler!

As a traveller myself I know how good is this book. If you are a traveller or love travelling stories

then this book is for you. Some of us might not be able to visit all the places mentioned here but at least you can get a glimpse through the book and get to know their culture and sights.

This was much smaller than I anticipated, not in content but in size. The print and pictures are very small, so get your glassed out, you'll need them. I do think it has an amazing amount of content and the value is certainly there in terms of content. I think it would be a lot more enjoyable if it wasn't so small and hard to read. This is the size of a small paperback, but about 1200 pages thick, so you will get your money's worth if you have good eyes are don't mind donning your reading glasses. It is also very heavy. Maybe it would be nicer if it was bigger and broken down into separate books by sections of the world so also not so heavy to hold when reading for a long time.

I bought this book for myself many years ago and I'm delighted to say I've been to see about 500 of these places in my 71 years. I recently purchased this book for my son and hope that he'll be able to see all of them by the time he reaches 71. It's a wonderful book for anybody. Travel has been the joy of my life and I would recommend this book to anyone.
