Customer Reviews

Since 1937, Merriam-Webster is America's foremost publisher of language-related reference works. The company publishes a diverse array of print and electronic products, including Merriam-Webster's Collegiate® Dictionary, Eleventh Edition America's best-selling desk dictionary and Webster's Third New International Dictionary, Unabridged. Merriam-Webster can be considered the direct lexicographical heir of Noah Webster. In 1843, the company bought the rights to the 1841 edition of Webster's magnum opus, An American Dictionary of the English Language, Corrected and Enlarged. At the same time, they secured the rights to create revised editions of the work. Since that time, Merriam-Webster editors have carried forward Noah Webster's work, creating some of the most widely used and respected dictionaries and reference books in the world.

Great pocket edition!

This is perfect for my son's book bag...thanks!

My son asked for a pocket thesaurus for Christmas. He loves it.

It works nicely as a dictionary, also, including some words that are not in the pocket-size dictionary, with a nicely laminated cover, easy to care for and keep looking nice. The size is about 5" X 3", easy to carry in a large purse or small briefcase.

Perfect size for backpack and locker and allot cheaper than those at my local stores.

small and just what we needed for my daughter to put in her backpack for school

So much better than the BIG one I had 50+ years ago.

I am in a constant learning mode. This is an excellent pocket guide.
