Make This Cathedral (Usborne Cut Outs)

Synopsis

Printed on stiff card, this book contains templates to cut out and construct a model of a medieval cathedral crammed with authentic detail. The model includes doors and windows that open to reveal the details inside, and miniature characters including the Bishop, the Physician, monks, pilgrims and beggars. The base of the model measures 61 x 46cm and the cathedral tower is 25cm high. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

These kits are ALWAYS good. I bought both the cathedral and the castle ones. I teach college humanities and medieval English literature, and I actually bring these into the classroom. Just wish I had more of these!

a good well thought out building. it goes with the other three in the unit. very impressive when completed. Look for the others, you will not be disappointed; you will need space to store or display them all.

Good response, quality product!!!

My kids loved building this!
