Customer Reviews

PRAISE FOR JOHANNA BASFORD'S COLORING BOOKS "The colorists have a queen, and her name is Johanna Basford." *New York Magazine* "Consider trading in your yoga mat for a set of markers and peruse the gorgeous gardens of Basford's imagination." *Huffington Post* "Artist Johanna Basford is at the forefront of the grown up coloring trend. Her whimsical artwork just makes us want to drop all our responsibilities and color forever." *Hello Giggles* "This is a breathtakingly beautiful coloring book, full of detail, whimsy, and possibilities. Johanna Basford is an illustrator and ink evangelist who prefers pens and pencils to pixels. Her intricate, hand-drawn illustrations are loved the world over by those who have colored in (sometimes

more than once) her bestselling books *Lost Ocean*, *Secret Garden* and *Enchanted Forest*. Johanna is a graduate of Duncan of Jordanstone College of Art and Design in Dundee. She likes sugar mice, floral teacups, peonies, and bumblebees. Visit her online at johannabasford.com.

I have really enjoyed these. They are on heavier paper so some of my more potent markers don't bleed through.

Impossible to color and stay within the lines! WAY To Complicated. It's meant to be relaxing,,,this is STRESSFUL!

I have purchased all of Johanna Basford's postcards of her various coloring books. These are all of excellent quality and she returns to larger images on the page. I use colored pencils and it is entirely possible to press on the postcards in such a way that you do not dent the card stock and nothing comes through on the other side. I purchased *Lost Ocean*, but the images were much too small to really color them in an enjoyable way. My favorite postcards are the *Enchanted Garden* because they are 5 x 7 and the images are nice and large. *Magical Jungle* postcards are 4 x 6, but have nice lines and spaces to color. I've attached two pictures so it is possible to see the sizes.

I order these to give as "thank you" cards when someone buys clothes from my boutique. My customers LOVE them!

Beautiful designs but they are so TINY. Better buy a magnifying glass to go with this. :O
