I just started to learn polish and bought this because it was bilingual. It is not. Unless it's a different dialect then Rosetta Stone, Google translate, bab.el and 50 languages uses do not order it to help you learn. Two stars for pretty pictures.

It was for my daughter and she loved it. She lived in Poland for a while and saw most of the places on the calendar in person.

If you are homesick for Poland, the 2017 calendar is best one I have encountered in years.

Beautiful pictures!
