Customer Reviews

Text: English (translation) Original Language: French

The book is filled with beautiful photographs, and the text borders on poetry--clearly a labor of love by the author and photographers. An excellent book for a quick overview of the islands. There is a section on each island,, with descriptions of its physical and cultural features. Text and photographs tend to weigh more heavily on the cultural. There is even a section with useful information for tourists. I would have liked to see and read more about the unique animals of these islands.
