# Crush Step 3 CCS: The Ultimate USMLE Step 3 CCS Review, 1e

## **Synopsis**

If you know all of the concepts in this book, you should do much better than pass the CCS portion of USMLE Step 3: You should Crush Step 3 CCS! With its focused review of common cases, high-yield content, and test prep strategies, Dr. Mayur K. Movalia's new review book offers the most effective preparation available for this high-stakes exam. Zero in on the content you need to know, thanks to a concise, consistent presentation for each case that is updated to mirror the 2013 USMLE software. Find the information you need quickly with a detailed index that organizes cases by symptom, final diagnosis, and specialty. Get up-to-date management strategies for CCS cases, thanks to input from a Resident Review Board comprised of high-scoring individuals (90th percentile or more), who evaluated the book to ensure its relevance and accuracy. Use it in conjunction with Brochert's Crush Step 3: The Ultimate USMLE Step 3 Review, 4th Edition for a comprehensive and highly effective Step 3 review.

Average Customer Review: 4.3 out of 5 stars 33 customer reviews

Best Sellers Rank: #153,946 in Books (See Top 100 in Books) #44 in Books > Textbooks > Medicine & Health Sciences > Medicine > Basic Sciences > Immunology #45 in Books > Parenting & Relationships > Family Relationships > Grandparenting #73 in Books > Medical Books > Basic Sciences > Immunology

## **Customer Reviews**

I bought this book to supplement UW cases. I felt very confident going in to the exam even with very limited time to study. Going through these cases really helped my score.

Love it.

Even though it is from 2013 it has been very helpful in my preparation for STEP3, I would use it along with UWORLD CCS.

very useful book. highly recommend it.

came in time, great quality.

very good.

I haven't sat Step 3 yet so it's tough to define what would make ideal preparation for the CCS component, but I find this book OK so far. I'm not blown away in any fashion and haven't learned anything new. I think the utility of this text is possibly to become more acquainted with the mere idea of CCS, since obviously that's disparate to the MCQ assessments. My take is that UWorld + the USMLE website (where they allow us to view sample items for CCS) will likely be the mainstay of CCS prep.

its a most have book
