The Complete Topical Guide To The Bible

Synopsis

The Complete Topical Guide to the Bible provides Scripture references, definitions, and cross-references for the study of the Bible by topic. The topical approach differs significantly from the lexical approach of a concordance, and a topical guide is an essential supplement to a concordance. While a concordance is limited to the connection of biblical passages in which the same word appears, the topical approach identifies and connects all of the underlying concepts related to a topic. A concordance would not yield John 3:16 for a study of grace because the word grace does not appear in the verse, but The Complete Topical Guide to the Bible includes John 3:16 for grace because it's an essential verse on the topic. The topics in this resource include biblical, doctrinal, and historical subjects, and they are organized into nine major categories: God, Jesus Christ, the Holy Spirit, creation, humanity, sin and salvation, God's people, the life of the believer, and the last things. In addition to the great themes of the biblical message, practical issues of Christian living are also included.

A comprehensive tool to enrich your Bible study, topic by topic Many readers of the Bible are familiar with concordances, which list biblical passages in which the same word appears. But concordances fall short for the study of particular topics in God's Word. For instance, a concordance does not yield John 3:16 for a study of grace, despite the fact that it's an essential verse on the topic, because the word grace does not appear in the verse. The Complete Topical Guide to the Bible includes these

related references. This comprehensive guide to biblical topics provides references, definitions, and cross-references to related topics. The topics have been carefully organized into nine major biblical categories to help you easily find everything the Bible says on a topic and do in-depth studies of God's Word.- God- Jesus Christ- the Holy Spirit- creation- humanity- sin and salvation- God's people- the life of the believer- the last things
