Ellen G WHITE, Was She A True Prophet?: The Most Amazing Study On Ellen G White And How She Is Described In The Book Of Daniel. (Seraphims Remedies 4)

Synopsis

The Bible says that in the last days, many false prophets would rise. The Bible further says that in the last days, the Spirit of prophecy would be manifested in the church. Ellen G White is accepted by the Adventist faithfuls as a true Prophet, she is however dismissed by thousands of other Christians as a false prophet in fact, by the mention of the word prophet alone in this 21st century, many classify the Seventh-day Adventist church with a cult or a sect. In this book, the most in depth study of Ellen G White has been done with three clear and independent methods used to proof beyond reasonable doubt that she was actually a prophet of God. Contained in the book is a Biblical analysis with clear texts that will help you understand more that we have not followed cunningly devised fables but are sure of our belief in her ministry. May God Bless you and open your spiritual eyes so that you may understand this important topic.

Customer Reviews

This book present a good argument for the prophetic office of Ellen G. White. Some may disagree

as to her prophetic calling, and that is ok. Let the evidence speak for itself and then you decide.
