Tokyo Ghoul, Vol. 8

Synopsis

Ghouls live among us, the same as normal people in every way-except their craving for human flesh. Ken Kaneki is an ordinary college student until a violent encounter turns him into the first half-human half-ghoul hybrid. Trapped between two worlds, he must survive Ghoul turf wars, learn more about Ghoul society and master his new powers. The newly awakened Kaneki unleashes his monstrous strength to protect his friend Touka and finds himself irrevocably changed. Kaneki sets out on his own, determined to find out the truth behind what's happening to him—and what the Aogiri Tree organization actually is.

Love Tokyo Ghoul and love these books

My favorite manga!

Love it

Love.

It was a gift for my grandson.

This is a great manga. If you watched the anime, let me tell you, the manga not only is a bit different, it has so much more to offer.

I had the japanese release of this manga before it was translated and it. Both are obviously good since they're the same manga.
