## Customer Reviews

My daughter loves this book. She is 4 so mainly just looks at the pictures. If I read it to her as often as she wants me to. I am a vet assistant and she wants to be a veterinarian so it's the perfect fit for our household.

I love seeing Barbie in roles that aren't quite as "Barbie". I like seeing her as a more realistic character, so I really like this book.

6 year old kindergarten daughter loved it. She didn't have much trouble with the words and could sound 95% of them out on her own. Cute story and good pictures.

This went great with the Farm Barbie! Good book!

Granddaughter is so happy.

Cute. I purchased this to go with the Barbie doll and horse set here on . My granddaughter loved it.

These Barbie toys were Christmas gifts for our granddaughters. They were pleased to receive them.

My 7 year old loves this book. It was just challenging enough. She loves animals which is what made it exciting for her.
