Tubal Uriah Butler Of Trinidad And Tobago Kwame Nkrumah Of Ghana: The Road To Independence

Synopsis

This work explodes myths on the decolonization process in former British colonies of Trinidad and Tobago and Ghana. Myths that masked the fact that the British colonial overlord with the full support of their local lackeys stage managed the process to ensure that compliant regimes were put in place as the inheritors of Independence from the British. Tubal Uriah Butler was systematically destroyed as a political leader to end his threat to the political order as he was not of the required material to be an inheritor of Independence. Kwame Nkrumah was fit to rule Ghana but he was subsequently removed in 1966. The social orders of Trinidad and Tobago and Ghana have been deeply impacted by British machinations on the road to Independence to this day.
