Randy Leffingwell wrote his first book, American Muscle, in 1989 while still on staff at the Los Angeles Times. Since then, he has authored another 47 titles for Motorbooks and sister publisher Voyageur Press, including his most recent Complete Book of Porsche 911 and Corvette 60 Years. He has just finished Porsche 911: Fifty Years, a reexamination of the 911 story based on nearly two dozen new interviews. He lives in southern California, about 100 miles north of Los Angeles. --This text refers to an out of print or unavailable edition of this title.

Excellent text excellent large detailed photos . Large size book crammed with detailed information. I have read many Cat books and still found this book riveting. Covers old units from the start up of the cat co to the modern equipment. Just an all around great book. Really enjoying this one.

My husband loved the book.
