Psychiatry And Law For Clinicians (Concise Guides)

Synopsis

This volume equips psychiatrists, psychiatric residents and other mental health care professionals with a thorough overview of the clinical management of legal issues in psychiatry. The author encourages psychiatrists to transform the law from adversary to working partners, a partnership that can be turned to clinical account for the benefit of patients. Beginning with an overview of clinical psychiatry and the law, this pocket guide covers every essential aspect of how law affects the practise of contemporary psychiatry: the doctor-patient relationship, confidentiality and testimonial privilege, informed consent and the right to refuse treatment, psychiatric treatment, seclusion and restraint, involuntary hospitalization, the suicidal patient, the potentially violent patient, and therapist-patient sex.

Book Information

Series: Concise Guides

Paperback: 285 pages

Publisher: American Psychiatric Publishing; 3 edition (April 2001)

Language: English

ISBN-10: 1585620246

ISBN-13: 978-1585620241

Product Dimensions: 6.6 x 4.3 x 0.8 inches

Shipping Weight: 9.8 ounces
