Wiley CPAexcel Exam Review 2014 Study Guide: Auditing And Attestation (Wiley Cpa Exam Review)

Synopsis

“I wanted to say I bought just the four books by Wiley for each CPA section and took all 4 parts of the exam in May 2009. I studied for about half a year, and I PASSED ALL 4 PARTS ON THE FIRST TRY!!! 95% REG, 88% FAR, 82% AUD, 81% BEC. I am very excited and happy that these books alone helped me pass!

•Gabriela Adriana Mandiuc, Boerne, Texas All the information you need to master the computerized CPA exam! The most effective system available to prepare for the CPA exam

•proven for nearly forty years Timely, up-to-the-minute coverage for the computerized exam. Contains all current AICPA content requirements in Auditing and Attestation Unique modular format

•helps you zero in on areas that need work, organize your study program, and concentrate your efforts Comprehensive questions

•over 3,800 multiple-choice questions and their solutions in the four volumes. Covers the new simulation-style problems. Includes over 280 simulations Complete sample exam in Auditing and Attestation Guidelines, pointers, and tips

•show you how to build knowledge in a logical and reinforcing way Wiley CPAexcel Exam Review Study Guide 2014

Â arms test-takers with detailed outlines, study guidelines, and skill-building problems to help candidates identify, focus on, and master the specific topics that need the most work.

O. RAY WHITTINGTON, CPA, PHD, CMA, CIA, is Dean of the Driehaus College of Business and Kellstadt Graduate School of Business at DePaul University. Ray is a former member of the AICPA Auditing Standards Board and the AICPA Accounting and Review Services Committee. He is also the coauthor of Audit Sampling: An Introduction, Fifth Edition, available from Wiley.

I've used Becker and Roger CPA for AUD. Passed all other parts using Becker but couldn't pass AUD on my first try. Decided to use Wiley book when the result of the exam revealed weakness in multiple choice section of the exam. This book is very well written and broken out by relevant sections (including the questions). Compared to the other two prep books, this book does better job helping you understand the fundamentals and exam questions. Wish I used this book to study AUD the first time.

I have used Wiley books in the past 2 sections of the CPA exam I took (FAR and REG) and they were very helpful. This one for AUD however, seems to be lacking. I found a few questions not to have any support in the book. The only hint of why an answer was right was in the answer key, and NOWHERE else in the book. I would recommend this book only as another source of practice questions, but not as a primary study source.

Its really good. please dont sell out and make inferior products going forward

This study guide will adequately prepare me for the 4th part of the CPA Exam.

This book is well-written and very comprehensive. The book includes lots of simulations. That was very helpful in studying for my Auditing course. I did not use it to study for the CPA Exam (as I have not taken it). I think that a shorter, more focused version my be better. Perhaps the one by Gleim would be more suitable. But, the Wiley book does include everything that your University Auditing course could cover and a ton of practice questions and simulations. You just may have a hard time finding the time to wade through all the material.
