Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

My son was having a little bit of a hard time with being afraid of the dark...we read this book every night before bed time and he knows that he is protected. I love that Berenstain Bears books also teach our children about God.

I am happy to purchase this book for my grandbabies. I remember when my daughter was little and I read Berenstain Bears to her!

My 6-year old Granddaughter loves this book. She read it in no time at all.

My grandson loves this book!

I love that the Berenstain Bears have branched out into Christian fiction.

Great book to remind us God is in control. My daughter & I both enjoyed the message.

A great book for addressing a variety of common childhood fears. Love the repetition of "Do not fear, God is near." Kids can relate and find comfort.

My grandson loves the story. As always, the Berenstain Bears hold to a high moral standard.
