An Amish Girl In Manhattan: How To Turn Your Tragedies Into Assets And Set Yourself Free By Breaking All The Rules (A Memoir)

Synopsis

Torah Bontrager was born and raised Old Order Amish and became the first Amish-escapee to graduate from an Ivy League school:~ ~ Columbia University in New York City.~ ~ She grew up with no electricity, no TV, no radio, no Internet, no cars, and up until the age of 10, no running hot water and no indoor bathroom.~ ~ She learned how to grow her own veggies from heirloom seeds, raise animals for meat, hunt deer in the fall and forage for mushrooms, berries and plants in the wild.~ ~ When Torah was 11 years old, she consciously decided to leave the Amish church.~ ~ After 4 years of planning and a failed first attempt, she literally escaped in the middle of the night at age 15 without telling anyone goodbye. The next morning, her parents found the note that she had left on her nightstand announcing her permanent departure.~ ~ Torah loved learning and wanted to explore the world and experience all the things that the religion prohibited.~ ~ Her dreams were to go to Harvard and outer space, "impossibles" given her background and rudimentary Amish-only education. Torah gave up everything--family, security, community, the only life she had ever known--in the hopes that one day her dreams might come true.~ ~ Amish Girl is about the darkness she encountered navigating a foreign world alone and grappling with her demons.~ ~ It's about her inner and outer quest for truth that took her all around the world.~ ~ It's about her struggles to make sense of the abuse and repeat rape she endured from her parents and other family members.~ ~ And it's about how she emerged from the underworld, from her tortured psyche, to create a life of beauty, happiness and freedom.~ ~ She wouldn't be telling her story otherwise.

Table of Contents: 1. Teenage Torah 2. Escape from the Amish: My Basic Story ~ ~ Why I Wanted to Escape ~ ~ My Current Educational and Familial Status ~ ~ Common Misconceptions or Myths About the Amish~ ~ ~ ~ ~ The Positives of Growing Up Amish ~ ~ The Negatives of Growing Up Amish ~ ~ The Myth of the "Peaceful, Gentle Folk" ~ ~ My First Suicide Attempt~ ~ ~ ~ ~ Searching for an Escape Plan~ ~ ~ ~ ~ My Second, Successful Escape~ ~ ~ ~ ~ What Lies Ahead 3. Held Hostage in Montana...and Wisconsin 4. To Speak 5. Second Breakfast 6. Look at Me 7. The Cat Knew the Way (Part I of a Trilogy) 8. Aborted Snowflakes and A Wheelbarrow for Christmas 9. It's an immigration story. It's a tragedy to triumph story. It's a story about traveling the world to find yourself. It's a story for women who want to know that they are not alone and not crazy. It's a story for men who want to know that it's okay to say "no" to corporate America. It's to let you know that you don't have to be extraordinary to be Extraordinary. It's for YOU. If you are reading this, you'll find a part of you in my story.

Customer Reviews

[REVIEW]"Love this book. Truly groundbreaking! Thank you, Torah!" --James Schwartz, author of The Literary Party: Growing up Gay and Amish in America

Yes, you can have the life of your dreams. If you really want to be happy, take back your power and set yourself free. It's okay to be afraid but it's not okay to let fear control your happiness, or lack of happiness. All brave people feel fear. All the time. I didn't escape because I wasn't afraid. I escaped because I valued myself and my personal

dream of happiness more. I was determined to one day be free or die trying. I hope that one of the things that people get from my book is how to turn their tragedies into assets and what I call steal back their freedom, by breaking all the rules. No matter whether you're Amish or not, most people are unhappy with their lives or businesses or other situations. There is always a way to turn the worst of what happens into a payoff, but it often means breaking the rules of whatever culture or society or family that you're part of. It's not necessarily easy to go against whatever everyone else says and follow your heart, but I hope that I can offer tools and different ways of thinking that make it a little bit easier and at the least, let you know that you're not alone.

Wow, very inspiring! It's so sad that the author had to go through so much hardship and that the Amish are not what they appear to be to us outsiders. But the fact that she kept relentlessly pursuing her freedom and go on to earn an Ivy League degree despite so much against her is incredible. Most Amish memoirs are very poorly written but this one is a refreshing change. A lot of the chapters read like fiction. There are some, Chapters 2 and 3 in particular, that are more non-fiction/factual/journalistic. But the rest of the book sounds like a fiction novel. The author's story actually made it in MTV's Brave category several years ago, the best of the entire history of their True Life series. Her story is also on Tim Ferriss' blog.
