Synopsis

This is Innovative Language Learning. Go to InnovativeLanguage.com/audiobooks to get the lesson notes for this course and sign up for your FREE lifetime account. Grow your English vocabulary and understanding of new words with this Buzzwords series! Buzzwords are popular new, trendy words and phrases in English. Knowing what these phrases mean and how to use them will make you sound like a native English speaker and improve your communication with coworkers and friends! Finally, practice what you have learned with the review track. In the review track, a native speaker will say a word or phrase from the dialogue, wait three seconds, and then give you the English definition. Say the word aloud during the pause. Halfway through the review track, the order will be reversed. The English definition will be provided first, followed by a three-second pause, and then the word or phrase from the dialogue. Repeat the words and phrases you hear in the review track aloud to practice pronunciation and reinforce what you have learned.
