Customer Reviews

Susan Branch was born in Southern California but calls her 1849 home on the Massachusetts island of Martha's Vineyard her "heart magnet" because she was drawn to New England from childhood and loved it before she laid eyes on it. She finally moved there in her early 30's, no longer "able to live without four seasons and white picket fences as everyday architecture." She is the oldest of eight children and inspired by "almost everything." Her hand-lettered and watercolor Heart of the Home series of books are a reflection of the things she loves to celebrate, the home-arts of cooking, gardening, homemaking, family, best friends, entertaining, and the little things that make life sweet. Her newest book, A FINE ROMANCE ~ Falling in Love with the English Countryside, is a diary of her two-month jaunt through the back roads of England in search of her literary and artistic roots. It's filled with the little details, both in words and pictures, that readers have grown to love in Susan's books. Susan has a large and loyal following on her blog at [susanbranch dot com](#) and her personal newsletter ("Willard," named for her grandfather, "another story"), filled with photos,

recipes and art, is emailed to approximately 50,000 subscribers monthly.

Really cute, like all Susan Branch creations. My only complaint is that, due to to high quality paper used, it's a little thick and heavier for carrying in my handbag than I'm used to. Nevertheless, love the design!

Love her stuff and buy it every year!

A little too much design and extra printing on each page for me. Some days have too little room to add appointments and etc.

This does not come with a plastic cover. The cover is made with a heavy paper stock. Not sure how it will hold up.

Perfection!!Susan Branch for President!!

I love the idea of a 2 year calendar.
