Marjorie Sarnat is a New York Times bestselling author and illustrator of several coloring books and more than a dozen books on art and creativity. She also is an award-winning mixed-media artist

whose works are in collections worldwide. Born and raised in Chicago, Marjorie is an alumna of the School of the Art Institute of Chicago and earned a BFA degree from Eastern Michigan University. She lives in Granada Hills, California with her husband, daughter, and son, her two dogs, and her extensive antique book collection.

A sweet book. Sometimes I just like to color clothing, and this is perfect. Nice pictures, give you lots of options for colors. I like the paper. Works well with my prisms. This would be great for a pre-teen who likes to color, as well as adult coloring.

This arrived today! Just beautiful

Love it!!

Well, as for the book and the pictures themselves, this is definitely five stars - cute outfits, just the right amount of detailing to make things interesting yet not make you squint to fill in teeny tiny areas. I particularly like that the pages all show clothing and accessories only - I don't find filling in faces and limbs fun. So, why only three stars? I have Marjorie's previous "Fanciful Fashions" book and love it, which is why I was excited about getting another one. To my disappointment, this is the same as the earlier book, with just a few of the pages in different order - the pictures are exactly the same. Bottom line - if you like fashion coloring books, definitely get one or the other of the "Fanciful Fashions" books...but don't waste your money on both.

Oh I love this coloring book. Paper is good quality and have had no problems with gel pens leaking thru. What I love most is the variety of clothing, jewelry, and other accessories on each page. Enough detail without being too tiny. I do not get bored with this book like I do so many others that are repetitious. If you like fashion coloring this is the tops, and totally fun.

Love this book! This is one of the best book I have bought so far. I also purchased Pampered pets by Marjorie Sarnat and I love that book also. I will be purchasing more of her books, and in fact have already ordered two more.

I just finished the last page in this coloring book. I'm gonna miss it. I really enjoyed working my way through this one.

This is a beautiful book and I love the fashions displayed. But it is very detailed and I hesitate to tackle a picture.
