Connect 2-Semester Access Card For Auditing & Assurance Services: A Systematic Approach

Synopsis

McGraw-Hill Connect[®] is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook[®] - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Complete system requirements to use Connect can be found here:

He currently serves on the AICPA's International Auditing

Standards Subcommittee. Professor Messier has authored or co-authored over 45 articles in accounting, decision science, and computer science journals.

I got this card for \$40, from a reseller in Puerto Rico. At first I was a little skeptical, but it arrived right away. You probably have to buy this card for your course anyway. A good way to get the book is to buy the card, register for Connect, and then buy the looseleaf copy on their website, if you want a paper copy. In my experience, has the best prices for accounting textbooks.

nothing more or less than expected. So much nicer than having to buy the packaged deal of book and connect card since the textbook pages are printable off the site

I received my order on time and the code worked perfectly without any issues.

Product arrived quick and access code was legit

Delivered as advertised.Thank you.

Great materials!
