GRE Prep 2018: Practice Tests + Proven Strategies + Online (Kaplan Test Prep)

Synopsis

Kaplan's GRE Prep 2018 guides you through your GRE prep step by step—study Kaplan's proven strategies, boost your math skills, practice your pacing, and become an expert in the exam's computerized format with an online practice test. Kaplan is so certain that GRE Prep 2018 offers all the knowledge you need to excel at the GRE that we guarantee it: After studying with the online resources and book, you'll score higher on the GRE—or you'll get your money back. The Best PracticeOne full-length online practice test helps you practice in the same computer-based format you'll see on Test Day. One additional full-length practice test included in the book for easier referencing and review. More than 650 questions with detailed explanations, including brand new questions for the 2018 edition and more in-book practice questions than ever before. Personalize your study plan with the individual performance summary you'll receive after each test. Chapters on each GRE question type and math skill, with practice sets for each. Questions have been reviewed, revised and updated for 2017-2018 by Kaplan's all-star expert faculty. Purchase includes 20% off code for more GRE practice. Expert Guidance Purchase of GRE Prep 2018 comes with one-on-one academic support from Kaplan faculty via our Facebook page: facebook.com/KaplanGradPrep We know the test: The Kaplan team has spent years studying every GRE-related document available. Kaplan's expert psychometricians ensure our practice questions and study materials are true to the test. We invented test prep—Kaplan (www.kaptest.com) has been helping students for almost 80 years. Our proven strategies have helped legions of students achieve their dreams. Want additional video lessons, more practice tests, mobile study options, and extra online practice? Try GRE Prep Plus 2018. The previous edition of this book was titled GRE 2017 Strategies, Practice & Review.

Customer Reviews

For almost 80 years, Kaplan Test Prep (www.kaptest.com) has been helping students grow their knowledge, skills and confidence so they can be their best on Test Day. Our prep books and online resources provide the expert guidance that students need at every step of their educational journey — incorporating years of test-specific data and strategies tested by Kaplan students and our own expert psychometricians. After helping millions of students, we know what works. Our guides deliver knowledge with clarity and simplicity while focusing on the specialized strategies that keep test-takers ahead of the clock and at the top of their game. We offer preparation for more than 90 standardized tests — including entrance exams for secondary school, college, and graduate school, as well as professional licensing exams for attorneys, physicians, and nurses. With a full array of self-paced and live online courses, as well as print books and mobile apps, you can use Kaplan to study on your own schedule and at your own speed. Kaplan's private tutors and admissions consultants supplement those offerings with one-on-one support.

The questions in the book itself are much easier than those presented in the actual GRE and the online practice tests are a horrible estimation of how you will score. The Kaplan practice tests had me scoring 7-8 points lower than I scored on the real ETS computer based test. With these things in mind, this book is an excellent way to familiarize yourself with the testing procedure and does provide useful learning techniques and vocabulary that is sure to show up on the exam.

If I do well on the entrance exam, then the book did it's job. It is full of helpful hints for the test and practice tests.

Son found it very useful

Great book, with 4 good online practice tests.

Exactly as advertised

Great prep book includes bonus 3 free online test and assessment for free.

It was very helpful

Okay
