Gross!: A Baby Blues Collection

Synopsis

Before there was Go the F**k to Sleep, there was Baby Blues, the tell-it-like-it-is comic strip that reveals the hilarious truth about parenting and living through it! For more than 25 years, the MacPherson family has brought the joy, humor, and poignancy of raising three children to funny pages worldwide in the popular comic strip, Baby Blues. Gross! reveals the sticky underbelly of parenting, shining a comedic light on everything from dealing with picky eaters to too much screen time. From gargantuan messes to legendary sibling disputes, readers will love following along as the MacPhersons--Darryl, Wanda, and children Zoe, Hammie, and Wren--overcome many of life's hurdles. Gross! offers a perceptive glimpse into the lives of modern parents, complemented by witty and informative commentary from the co-creators themselves. This collection will appeal to anyone who has kids or who remembers what it was like to be one.

Always worth buying! There needs to be more stories published where the parents stay together through anything life brings.

Even though my own daughters are now the mothers of children in some cases older than the kids in these cartoons, I still laugh along with the family comedy captured in these collections. I number this among the top ten comics currently being produced.

Love, love, love it! Can't go wrong with this family and all their fun, cute and crazy ways! This book is a sure winner! Highly recommend!

Great material as always-great to add to my collection!!

love this

I have entire collection of Baby Blues since they first came out. I hope they continue a new book each year. My whole family share these books and re-read them. Thank you

Downloaded the e-version and it works great on my tablet. Doesn't work as well on my Kindle simply because the screen is smaller but still readable.

Funny book. We read Baby Blues everyday in the comic strips. The book was a nice way to over indulge in Baby Blues over the holidays.
