## **Synopsis**

Come Over To The Dark Side... With our all new Midnight Mandalas Vol. 8 black background coloring book. Once again we took 50 of our our popular Mandalas and did a bit of black magic on them to turn them into fantastic white Mandalas with all black backgrounds. Think of the possibilities of coloring these with bright neon pencils or markers and remember, as with all of our books, each image is printed on its own page.

## **Customer Reviews**

This is the latest Midnight Mandala book in her series of midnight Mandalas. They are on full black, not grey/black, Black paper of good medium weight. The designs are white and very well done. The mandalas are easy to challenging. There are some that are intricate. There are so many different designs to color. I Love this book, give it a try and you will be hooked I think. I definitely would recommend this book or any of her books.

I haven't had this book very long, and I have almost completely colored the whole book, in it's entirety!!! I ~~LOVE~~ this book!!
