Incredible Everything (Cross Sections)

Synopsis

Each illustration in this book traces a craft or manufacturing process from raw materials through to the finished product. The illustrations make many of the processes self-explanatory, and where further explanation is needed, "Chester the Tester" and "Q" provide the answers, along with the text.

nice

Awesome series of books. I couldn't recommend the books in they series higher. Though for this book I'd wait until the child was 10+ years old.

good for Dilesick reader's

Great job
