The Everlasting Covenant

Synopsis

Ellet Joseph Waggoner (1855 – 1916) was a leading Seventh-day Adventist preacher and writer. He writes, "The Bible was written for no other purpose than to show the way of life. It contains history and biography, but these are parts of the Gospel Message. Not one line is written except to reveal Christ; whoever reads it for any other purpose than to find in it the way of salvation from sin, reads it in vain; studied in the light of Calvary, it is a delight, and things that would otherwise be obscure are made clear as the noonday. The pages that follow are designed as an aid to all who would look at the precepts and promises of the Bible in their true setting. One line runs through the entire Bible, God's everlasting covenant. Standing at the Cross, one can see the working of God's eternal purpose, which He purposed in Christ before the world began. The history from Paradise lost till Paradise restored, is set forth as in a panorama." This work contains the following chapters: 1. The Gospel Message 2. The Promise to Abraham 3. Building an Altar 4. Making a Covenant 5. The Flesh Against the Spirit 6. The Covenant Sealed 7. The Test of Faith 8. The Promise and the Oath 9. The Promise of Victory 10. A General View 11. Great message

Learning a lot and explains the Covenants very clearly.

Life changing

Very truth filled

This book pieces together that many seemingly inconsistencies that are throughout the scripture. Waggoner does an outstanding job of putting together the thoughts and ideas conveyed in the Bible that lead to the one common theme: Jesus Christ our Righteousness.

Powerful, clear explanation of the everlasting covenant, There is so much misunderstanding about the covenants. Everyone should read this to clear up the confusion about new and old covenants that can impact their eternal salvation. If you think you understand righteous by faith and don't understand the covenants you need to read this book.

This book is subtitled: "A Series of Forty-seven Articles Published in The Present Truth magazine (May 1896-May 1897), which preceeded the publication of Waggoner's book The Everlasting

Covenant". From the book's back cover: "This book is a treasure that has lain almost forgotten for over a century. Many around the world have hungered to see it in print as "a most precious message" that in a unique way makes the Gospel become exceedingly Good News. Although by training a physician, the author came to love the Bible idea that God's covenant is His one-sided promise of salvation "unto all and upon all who believe." This vision led him to abandon a lucrative medical career to become a soul-winning evangelist. Undoubtedly Waggoner's masterpiece written for common people to understand, this book makes clear how the new covenant "abounds much more" in grace than all the alluring sin the devil can invent. Best of all, the individual who comprehends what is embedded in God's new but everlasting covenant of grace walks on air forevermore."

This is one of my favorite books. While the book is called "The Everlasting Covenant" it spends most of its time in the Pentateuch (the first five books of the Bible). What I found amazing was how the author was able to perceive so many gospel concepts in these books. Often the author would assert some gospel principle from the text, and I would think to myself "Nah, that's not there. Does it really say that?" and check, and sure enough, Moses had written just what Waggoner said he did. The author draws many rich and precious lessons from the stories of Abraham and the other patriarchs, and from the nation of Israel. The print is easy to read, in the version illustrated here.
