good

Written by a longtime local resident Mary Hagen, Hiking Trails of Northern Colorado is regarded as the "Bible" of Larimer County trail information. It includes detailed route information of trails in the popular Poudre Canyon as well as Pingree Park, Big Thompson Canyon, Comanche Peaks Wilderness Area, Rawah Wilderness Area and other areas west of Fort Collins, Loveland, and Red Feather Lakes. Hikes range in difficulty from easy 2 hour jaunts with the kids to multiday adventures through some of Colorado's most spectacular alpine wilderness areas. As with any guide of this type, some information may be somewhat dated. However with a minimum amount of research, i.e., Current US Forest Service or Trails Illustrated maps, any outdated information can be easily updated.
