Whitman Nat Park Blue Folder Vol II 2016-2021

Synopsis

Whitman National Park Quarters Folder, 2016 2021, 60 openings, P&D Mints. The National Park Quarters Coin Act of 2008 requires quarters, beginning in 2010, to have designs on the reverse depicting one national site in each state, the District of Columbia, and the five territories of the United States. Fifty-six (56) different designs will complete the program from 2010 through 2021. Whitman folders are built from the safest archival safe materials known. Inert and safe for all coins. 5.75" x 7.75" closed, 17.75" x 7.75" open.

Customer Reviews

I bought the entire collection of these folders that is available at the moment. They all arrived within a day of each other, as expected. New users may think they seem small but they are a very compact and inexpensive way to keep your coins organized. A great tool for the beginner or the experienced coin collector. Be sure to lay the binder on a flat, hard surface like a desk or kitchen counter when entering your coins and you should have no problems.

I filled Volume One of this product and was eager to get Volume Two. I like the size and the quarters fit well. Doesn't take up much room on the bookshelf.

I love these books. It's no frills. The holes for the quarters are a nice tight fit. I get these for my son so he can pick through pocket change and gradually fill these books. I hope he takes an interest someday and even more importantly, learns something new. IT is working too. Now all change goes into a cup and every few months we go through everything and can spend a good hour or two

looking at dates and quarters and mint markings and we have a lot of fun together.

This is your good basic coin folder.

This folder will hold quarters minted from 2016 through 2021 national parks quarters to be minted by the U.S. Mint and are a perfect gift to give to the grandchildren to learn more about the country's national parks and the states in which they are located. This is the second half of the collection and goes with the first half for quarters minted between 2011 through 2015 for both Philadelphia and Denver mints.

It's just what I wanted! It matches the Vol I Nat Park folder that I ordered at the same time and also my state quarter folders that I've had and been using. It also has space for all the Philadelphia and Denver Mint quarters.

The classic coin book. Exactly what you'd expect.

as described. Great for my coin collection
