Socks: The Rule Book: 10 Essential Rules For The Wearing And Appreciation Of Men's Hosiery

Synopsis

Socks. They are a serious business. Socks are the glue that binds an outfit together, the telling detail that shows that a man understands what it is to be stylish. But they are also a minefield of potential fashion disasters and style pitfalls. What style of socks should you wear with a brogue? Are patterned socks permissible with sneakers? How high should you roll-up your trouser leg? Are socks and sandals ever acceptable? But fear no more - Socks: The Rule Book will solve your hosiery dilemmas. Laying out the ten fundamental rules of sock wearing with fashion-conscious advice and a knowing sense of humour, this book answers hitherto unanswered questions and establishes clear guidelines for every aspect of the sock world. No.

Seems like a fun book. I read a review of it in the LA Times and bought it for my son for Father's Day this year. He wears goofy socks to work even when he has on a suit and tie. I love it. I wish I could have bought the socks from the front of the book.

This is a Xmas gift for a friend I'm sure he will love it , im also giving him crazy socks

Wonderful book. After reading, passed it on to my son.... Along with some (what else?) Socks.

It was a gift and recipient seemed pleased!

Loved the book. It is a gift for my son. Hope he joins the sock club.

Thanks :-)
