Customer Reviews

PreS-Gr 1 **A** big-eyed boy named Buzz and his lively (and talkative) pet fly, Fly Guy, are back in this zany Christmas Eve adventure. While feasting on milk and cookies, Fly Guy, having just heard a ninja bedtime story, channels his inner ninja and valiantly protects the house from a late-night intruder in a red suit. When Fly Guy discovers he has attacked Santa, he helps set things straight and even gets some gift assistance from the jolly old elf himself. VERDICT Fans of this incredibly popular easy reader series will thoroughly enjoy the seasonal antics of this installment, especially with its sparkly cover and ninja action. **M**adeline J. These books are funny and I catching. I have a group of kids that never find anything stimulating for their creativity. This collection of books are fun and encourage them to want to read the next bookstep. Now the boys are looking forward to reading. There a jar. Six ,seven and eight year olds

My son absolutely loves the Fly Guy seroes and was super excited about the Christmas book! He started reading these in Kindergarten, but still enjoys them as a second grader. The humor is very engaging for this age, and made my son excited about reading. I would recommend!

My granddaughter loves it!!

My 1st grade son was excited to get this book for Christmas. He has nearly all the Fly Guy series and wanted to show his friends the newest edition. He was able to read it with minimal assistance.

My 8 and 9 year old grandsons love this series!!! The eldest went through this series quickly and enjoyed them immensely! This is the final book in the series! It was a must have!!!
