â œ[Motherhood] is a hoot!! Beginning with the first story of Dwayne receiving a phone call from his meddling mother and continuing on and on....this close look at motherhood is poignant while hilarious. Give it to your mother, your grandmother, your aunt. And hey, Mothers, give it to your children so they can walk in your shoes! The perfect gift!â •Â Â Â Â Â Â â •Book Vaultâ œLasts longer than flowers, has far fewer calories than chocolates and is definitely more entertaining than either.â •Â Â Â Â Â Â â •BookPage

As the host of A Prairie Home Companion for over forty years, Garrison Keillor has captivated millions of listeners with his News from Lake Wobegon monologues. He has been honored with

Grammy, ACE, and George Foster Peabody awards, the National Humanities Medal, and election to the American Academy of Arts and Letters. Coming soon...

I love Garrison Keillor's stories and have most of his cds. Since the name is "Mother", I was expecting warm, cozy stories about childhood, mothers and apple pies - but they are a little more harsh than that. It's more directed towards older people whose mother's drive them absolutely crazy. I wouldn't get it for my mom for Mother's Day, though - unless she has a REALLY good sense of humor!

I love the show. I am a loyal fan but this whole series is poorly edited with barely average sound quality. Sent them all back. Just not worth it and a big disappointment. Turn on the radio.

I love everything Garrison Keillor puts out. I have now close to 30 audio cd's by Keillor. Maybe it helps if u r Scandinavian, born Lutheran and loves stories.

I always like Garrison Keillor material. He covers so many topics with great wisdom, humor and of course his deep understanding and ability to express these. This CD was one of those.
