Trail Boss's Cowboy Cookbook

Synopsis

Trail Boss's Cowboy Cookbook includes 458 recipes from 24 states and 8 countries. Not just a meat-and-potatoes cookbook, this collection of authentic rangeland dishes and the historical notes behind them will surprise and satisfy everyone from seasoned gourmets to casual cooks. With recipes for foods in 31 categories, including hors d'oeuvres, sauces and condiments, casseroles, game, Mexican dishes, breads, cakes and pies, and, of course, meat and poultry, Trail Boss's Cowboy Cookbook brings the best of cowboy cooking to your own kitchen.

Customer Reviews

More than 450 authentic rangeland dishes from twenty-four states and eight countries plus interesting historical notes.

I got this little gem as a child... I think it was given to me by mistake (supposed to be someone elses) but I instantly wanted to cook from it! There are recipes ranging from your typical cowboy fare, like beans, chili, etc... and then they tell you ways to prepare things you might no imagine, like opossum, skunk, coon, or how to cook a whole cow in a hole in the ground!A lot of fun if you're a cast-iron chef like me. Would be five stars if anyone ever had the genius notion to actually print this information in a real book.

If you love to camp or just plain cook outdoors this is a book that you must have. Has receipes that you would cook at home but shows how to cook it outdoors and have the same great taste without

the oven or stove. I love it so much that I got a second copy and gave it to my Brother as a Christmas gift and he just loves it.

Great fun to read and recipes to try.

All these recipes are simple and delicious. Recipes are easy to find with an excellent index. The bookmaterial is also durable and made to survive the kitchen.

fast shipping & item as described

This book brings back the memories of beans and bacon around a campfire. And a lot more. Whether you really were once a cowboy, or just watched them on TV and imagined you were on a cattle drive rustling up to the chuck wagon, you will love these recipes....Happy Trails!!

We camp most weekends in our camper, but we cook most meals over a campfire, can't wait to start making some of these.

Not professionally done, but what else should I expect from cowboys.
