Customer Reviews

"A great gift for car and motorcycle buffs." - Milwaukee Journal Sentinel "This is a great book for fans of the actor or his vehicles, and it's the most interesting car book issued this year." - The Virginian Pilot "Car and motorcycle enthusiasts will love this book, but so will people (namely baby boomers) who were fans of Steve McQueen. While the book looks at a specific part of the late actor's life - his rides and passion for racing - it also reveals much about the man." - Omaha World-Herald "This book is a fantastic gift to give fans of McQueen as it carefully chronicles his career and the details of his iconic autos and motorbikes. A must-see!" -

MonstersAndCritics.com "Few actors are as linked to the cars they drove as Steve McQueen, and now you can learn more about this icon's passion for motoring in McQueen's Machines: The Cars and Bikes of a Hollywood Icon. Opening with a foreword written by Steve's son Chad, the book covers both the cars he drove on screen - including the 1968 Ford Mustang GT 390 fastback from Bullitt - and the cars he owned and raced off of it, like his 1958 Porsche Speedster and a 1965 Ferrari 275 NART Spyder. A great coffee table book for gearheads and McQueen fans alike." - Uncrate.com

No other Hollywood star has been so closely linked with cars and bikes. McQueen's Machines celebrates this deep-seated connection, giving readers a close-up look at the automobiles and motorcycles in McQueen's garage, those he drove in movies, and others he raced. From the 1968 Ford Mustang GT 390 fastback he drove in Bullitt (in the greatest car chase of all time) to the custom Corvair-powered Manx dune buggy in The Thomas Crown Affair, from the Triumph motorcycle of The Great Escape
