Real Property In A Nutshell (Nutshells)

Synopsis

This concise work discusses most rules covered in real property casebooks. The text is divided into three sections. Part One provides an overview of property interests by covering lost v. mislaid v. abandoned property, adverse possession, gifts, common law estates, future interests, landlord-tenant law, concurrent ownership, marital property rights, easements, profits, licenses, real covenants, and equitable servitudes. Part Two covers conveyancing, including real estate brokers, contracts of sale, deeds, recording, title insurance, and mortgages. Part Three covers a variety of property rights and liabilities, including airspace, water rights, the right to support, agreed boundaries, fixtures, trespass, nuisance, and land use regulation.

Customer Reviews

Difficult to follow. I had to get a separate book to supplement for my class.

The book is useful in that it deals with many topics in real property but I found it to be rather sketchy in parts.

The book did what it was supposed to do for my online course...now if only the instructor had organized the course in line with the book...

Came on time. Good quality. Easy to read.
