The Easy Way To Stop Gambling: Take Control Of Your Life

Synopsis

Allen Carr's Easy Way has helped over 14 million people to date and counting! His revolutionary approach to the problem of addiction allows addicts to take back control of their lives. Here in this brand new book the renowned Easy Way method is applied to the subject of gambling. Most gamblers are convinced that it's almost impossible to stop gambling and free themselves from debt; they also feel unable to solve the widespread problems gambling causes. The wonderful news is that this book shows you how to stop immediately, painlessly and permanently. This book understands gamblers and how they think and, without being judgemental or patronising, takes them step-by-step through the process of how to free themselves of the gambling addiction. It demonstrates how gamblers fall into the trap of gambling, the psychology behind being addicted to risk and how to quit gambling once and for all.

GOOD

This is a good, helpful, practical and easy to read book but in the end it is still up to the person to want to change. If they don't want to change wholeheartedly it won't be as beneficial.
